Additional Comments: Mr. Terance Falter was assigned to Pre-Trial Supervised Release on 5/12/2018 by Commissioner Wilson. Mr. Falter reported for initial intake on 5/16/2018 and assessed at Level III Supervision. At initial intake he provided a urine sample positive for THC and Opiate and was therefore, referred for a substance abuse evaluation. Mr. Falter has missed two office visits as well. In addition it should be noted that Mr. Falter failed to complete a substance abuse evaluation. It should also be noted that a violation was submitted on 9/11/2018. Due to the fact that Mr. Falter's court date was postponed until 2/5/2019, he continues to provide positive urine samples and is overall uncompliant with the Pre-Trial Supervised Release Program it is respectfully requested that a bench warrant be issued for his arrest.
